Dear Hiring Manager,

I am writing to express my interest in the MERN Stack Developer position . As a graduate with a degree in Computer Science and a passion for web development, I believe I would be a great fit for your team.

During my studies, I gained hands-on experience in the MERN stack, including working on projects that involved building dynamic and responsive web applications. I have experience with React, redux, Node.js, Express, and MongoDB and I am proficient in HTML, CSS, and JavaScript.

While I may not have extensive professional experience, I am eager to learn and have a strong work ethic. I am confident in my ability to take on new challenges and contribute to your team. I am excited about the opportunity to work with a team of experienced developers to develop high-quality applications and further my knowledge in the field.

Thank you for considering my application. I have attached my resume for your review. I am looking forward to the opportunity to discuss how I can contribute to your team.

Sincerely,

Labala Hariprasad
